## 212 THE EXTRA DEGREE BY SAM PARKER PDF

This succinct, simple, and powerful inspirational hardcover book and DVD set will motivate you to change your life-to persevere and expend the extra degree of effort to achieve success, in business and in life.

At 211° water is hot. At 212°, it boils. And with boiling water, comes steam. And steam can power a locomotive. This simple analogy reflects the ultimate definition of excellence. It's the one extra degree of effort that can separate the good from the great.

Beautifully illustrated with real life stories and quotes and a clear easy-read format, the 212 degree concept will inspire and motivate you to take it to the next level. Join the individuals, businesses, and schools that have taken action and adopted the 212° concept to attain their goals.

Authors Sam Parker (GiveMore.com, Smile and Move) and Mac Anderson (Simple Truths) have delivered a concise and thought-provoking strategy for reaching one's potential. Perfect for entrepreneurs, executives, trainers, teachers, team leaders, youth counselors and anyone interested in the pursuit of self realization and their own personal best.

Get this book!

By Amazon Customer

My company provided us with this book in a recent training. Most of the trainings are boring and something memorable for only a short time. This book is not that. The simple metaphor used in the introduction, and the entire basis of the book is very meaningful and easy to see in action. Today I hear so many people complain and feel that they are entitled to things instead of taking responsibility for their actions. This book shows that the smallest increment of effort can have positive effects not only on your professional life, but all aspects. This book uses real life examples that are easily relatable and prove the point. This is a quick read, but definitely worth the price and definitely applicable to life. I highly recommend this book.

4 of 4 people found the following review helpful.

something to ponder for sure

By sandi

my boss passed this book around to everyone to read before tax season. i don't know what everyone else thought about it but i liked it enough to buy my graduate a copy. it's got a lot of facts and truths and Biblical principles.

3 of 3 people found the following review helpful.

Great gift for a graduate or entrepreneur.

By Somewhereintx

This is my go to gift book when I want to encourage someone. It is a super quick read and the analogy to boiling water is so simple yet impactful. I've lost count of how many times I have given this as a gift. Everyone who I have shared it with always loves it.
