Is there a typo in the first chapter?

By ElCar

Just downloaded on loan on Prime account. Is there there a typo in the first chapter?

The words 'shlomchah' and 'schlomech' are used. Michael uses the phrase 'ma shlomchah' when he addressing Asaf. She responds and uses 'ma schlomech' when she makes the same inquiry of him. Should these phrases be reversed, e. g. Michael using 'schlomech' when inquiring of Asaf and vice versa?

My understanding is that 'schlomech' is used when addressing a woman. Do I have it wrong?

Have only taken cursory view of book, but this caught my attention. Will write a review and rate after I have completed my review.
