The final thought is not just the book [Altar Of Secrets: Sex, Politics, And Money In The Philippine Catholic Church By Aries Rufo](#) that you look for; it is exactly how you will obtain several publications to sustain your skill as well as ability to have piece de resistance.

ALTAR OF SECRETS: SEX, POLITICS, AND MONEY IN THE PHILIPPINE CATHOLIC CHURCH BY ARIES RUFO PDF

Altar of Secrets: Sex, Politics, and Money in the Philippine Catholic Church is the first of its kind in the country.

Journalist Aries C. Rufo shows a Church that is cloaked in secrecy. It keeps the wrongdoing of its bishops and priests - in sexual misconduct and financial mismanagement - within its confines and lets them get away, unpunished.

Accountability, after all, is not a strong suit of the church. Rufo also delves into how the church influences policy, as nowhere among Catholic countries in the world is the Church deeply involved in the shaping of policy than in the Philippines.

Overall, reforms are taking place, but these are highly dependent on the Church leaders, the bishops who try to change mindsets and systems.

Journalistic but not scholarly

By Kenneth Masong

For those with a penchant for titillating controversies, the book is a journalistic mine of the most recent church scandals. But for those looking for a more indepth analysis of the ills of the Church, how scandals in the Church reflect current problems in Philippine society, how the sins of the Philippine Church fare with the sins of the global Catholic Church, now and based on its 2000 year history, etc. the book is relatively shallow. Even the secrets about which the book speaks of are hardly a secret to one who reads newspapers and watch television, except, I guess, those prone to forgetfulness. Perhaps the book will sell because of what it speaks of--who doesn't want to hear of church scandals??--but I doubt if it will have mutiple printings due to intellectual and scholarly relevance.

Priests on the Limelight

By gacera

Rufo sheds light on a closeted organization and does it through an excellent journalistic endeavor. Here are interviews of prominent and relevant characters in the politics of the Catholic Church in the Philippine setting. Insomuch as he exposes the scandals that has beset the organization, Rufo also brings you to the roots of such anomalous behavior. His analysis starts at the organizational structure and moves on link by

link in the chain of events that led to the church's major scandals. More importantly, this book paints a vivid historical account of how legacies within the church were established as well as the ways with which these were thrown asunder. Rufo could have expounded his interviews to rural priests as I'm sure their stories would be wealthy resources for the scandals he gave light to.

This book exists as a challenge, to put it bluntly, for the clergymen to wake up from being full of themselves and face the challenges of the times.

Interesting read about the scandals harrowing the philippine catholic church ...

By Rickson M. Buenviaje

Interesting read about the scandals harrowing the philippine catholic church. Dont get me wrong, i am a devout catholic. But i think every catholic should read this
