2 of 2 people found the following review helpful.

Fascinating, bizarre, and mostly true

By Manfred Arcane

The pseudonymous Vladimir Pozner's "Bloody Baron: The story of Ungern-Sternberg," published in 1938 was for many decades the best English language book on one of history's most fascinating and bizarre characters - Baron Roman Ungern Von Sternberg, one of the last of the White Russian warlords who briefly conquered Mongolia in 1920 with his "Asiatic Cavalry Division", restored the living Buddha (Boghd Khan) to his throne in Urga and generally behaved in brutal, strange and exotic ways. Pozner's rare and expensive book has now finally been superceded by an excellent new book, Palmer's "Bloody White Baron" which is available through Amazon.co.uk. Hopefully the Russia expert Dr. Willard Sunderland will also have a study on the good baron out soon too. Can't have too many works on this obscure but fascinating corner of Eurasian history.
