Most helpful customer reviews

5 of 7 people found the following review helpful.

BEWARE! There is more than one version of the 11th edition and there are major differences.

By Brett Johnson

This is the "Global Edition." It is NOT the same as the the hardcover edition, at least as far as the end-of-chapter problems are concerned. Unless your instructor specifies "Global Edition" this is NOT the book to get if you want "Digital Fundamentals, 11th Ed. By Thomas L. Floyd." I'm pretty angry that this was not clearly indicated.

7 of 10 people found the following review helpful.

Two Stars

By C0mTwo

no difference between this edition and the 10th. total racket.

0 of 0 people found the following review helpful.

Five Stars
