Book is as good as the original

By Amazon Customer

Book is as good as the original. No complaints on that. The packaging was awful. All edges if the book ruffed up and damaged.

2 of 2 people found the following review helpful.

Book comes with a double sided map as stated it's ...

By Kim

Book comes with a double sided map as stated it's really well done. The books heavy. Soft cover but very well put together. You can find anything and everything you need it the book. Including a language guide

Good book

By nickojeda612

I used this to throw at the neighbor children and it scared them so I am pleased
