## **EMPOWER ME # 2: TANTRIC AWARENESS (COLLECTION: SEX STORIES MYTHOLOGY) BY JEAN-CLAUDE CARVILL PDF**

Freya Moreton's broken engagement to Tristan Lucas causes havoc in her relationship with Corey Wallace. She can't explain her love for Corey or the spontaneous orgasms that rock her body at his slightest touch—it's as if she's known him forever. Tristan is determined to get her back but Freya knows Corey is the only man for her. Their lovemaking is so intense that in the midst of a powerful orgasm, Freya is swept into a waking dream of another life buried deep in veils of her mind. She, a goddess and Od, the handsome man who resembles Corey, are soulmates. As the visions continue, Freya and Corey seek answers from a monk who reveals Freya is the reincarnated Norse goddess of sexuality and Corey is her husband, the reincarnated god of the sun. While struggling with the revelation, Freya discovers Corey has secrets of his own and the betrayal fractures her soul. She walks out on him never realizing she's walking straight into Tristan's vengeance...and a truth than may have come too late to save them all!

A great Master piece of the erotica literature .

In reality the reader may find a strange similarity between Tristan and Donald Trump , Corey and Mark Hughes from Herbalife, that strange wall's street story of Ackman's assault on Herbalife. It is definitely a read to not miss if romance, mythology and politic are your alley.mythology and politic are your alley.

A Must Read, I LOVED it !

By Diana Martin

I read the first book of this series, Empower Me, #1, In the Spotlight and I loved it and this one was even better. This is a story of the reincarnation of Goddess Freya in our modern civilization, sharing her sexual desire between two billionaires from New York .Strangely enough one seem as neurotic as Donald Trump. I loved it from start to finish and once again I was pulled into the very soul of Freya, her character is extremely deep and so passionate. She loves hard and she loves Corey and her desire for him is immense. He loves her, but takes the time to actually show her what she means to him. It is sensual, steamy, sexy and a dreamy romance. It is very well written, exceptional details done with class. The author take us from Manhattan to the kingdom of Bhutan, the illustration are incredible. I love the style of Jean-Claude Carvill and the way he keeps you suspended in anticipation of what is to come. I recommend this book with my highest regards, it is delightful and you will not be disappointed..

Another Great Storytelling and Narration

By Meagan

Although this audio book is actually the sequel to Empower Me #1, Jean-Claude Carvill still did a superb in his storytelling for Empower #2, which was very vivid and sensual. The love triangle between Freya, Corey and Tristan kept me attention throughout the audio book, however, I couldn't listen it all in one day (I wish I could). I love the way the author use of the elements from the Norse goddess Freya for the main character. Plus, Lily Horne delivers yet another narration for this book. Once again, her voice brought out the sensuality and vibrancy of Empower #2. Overall, this was yet another great storytelling from Jean-Claude Carvill.

Very Sensual and The Perfect Buildup

By michael

Really enjoyed this audiobook. This is book 2 in the series. The main character has been won away in a motorcycle race from her cheater abusive bf. The hunky new Mr Right is patient and likes to let the romance "build up." It's very sensual and tasteful. The story moves at the perfect pace. It's a great length! I hate stories rush through and are super short. I had time to fall in love with the characters and the buildup was pretty amazing! New hunky tease of a boyfriend, threat of a dangerous ex, and throw in an "o" expert. Loved it!
