Top

By Fred

I'm CPA in France and I would like to improve my vocabulary in english finance (by the way, with the book you can also free download the mp3 files of the book, and it's a good idea to improve your oral comprehension). I discovered this book and it was a great surprise. Very clear, easy to read and to understand. You can read this comics in less than one hour, and after balance sheet, income statement and other cash flow won't have any secret for you !

A novel way to teach finance to anyone

By D. Allen Miller

Wow! A graphic novel and a first class overview of finance in one easy to read package...Who would have thought?

I learned more about finance from this amazing comic book than I learned in a semester class in college. Fun to read, easy to understand, Financial Intelligence from Smarter Comics is a great tool to help every employee in my organization understand the bottom line and how we get there. Thanks Karen Berman and Joe Knight for a tremendous training tool that will clearly help my company grow.

Great for young people

By Russell Barney

Great tool to use with young men and women as they develop an interest in the business world. A copy will go to several people that I know need this kind of resource in their family.
