GIRL A: THE TRUTH ABOUT THE ROCHDALE SEX RING BY THE VICTIM WHO STOPPED THEM BY EBURY DIGITAL PDF

What do they find attractive about me? An underage girl who just lies there, sobbing, looking up at them...as they come to me one by one.

This is the shocking true story of how a young girl from Rochdale came to be Girl A – the key witness in the trial of Britain’s most notorious child sex ring.

Girl A was just 14 when she was groomed by a group of nine Asian men. After being lured into their circle with free gifts, she was plied with alcohol and systematically abused. She was just one of up to fifty girls to be 'passed around' by the gang. The girls were all under-16 and forced to have sex with as many as twenty men in one night.

When details emerged a nation was outraged and asked how these sickening events came to pass. And now, the girl at the very centre of the storm reveals the heartbreaking truth.

Heartbreaking, harrowing but inspiring real life story of a true heroine

By Gary Selikow

A deeply disturbing, heartbreaking and enraging real life account. This is an extremely harrowing read It is just so difficult to come to grips with what is happening to children in Britain in this day and age. The fact is that Pakistani gangs are grooming, forcing into sexual slavery , gang raping repeatedly , torturing and terrorizing ten of thousands of mainly white girls - some do not survive - many will never get their lives back together.

Hannah (Girl A) had a happy childhood on the West Lancashire coast , but when her father's business failed and the family became impoverished they had to move to a council house in an impoverished area of Manchester -Heywood- near where her parents originally came from. She was sent to a very rough school and to fit in with her peers began drinking and going out all hours and eventually playing truant, not unusual for teenagers living in poor areas

It was her introduction to a group of Pakistani older men led by the evil 'Daddy' and the cruel Tariq that began her nightmare existence that lasted two years. she was groomed by this Muslim gang, She was lured into the clutches with free food and drink, and deceptive 'friendship' welcomed by a girl from a now broken home , plied with drugs and alcohol and systematically raped by often up to twenty men a night,Her pimp ,a

sadistic , twisted White girl Emma, only a few month older than her played a pivotal role in terrorizing Hannah and ensuring she did not escape the circle. Her rapists/enslavers treated her with no pity or humanity at all, perhaps the same way the Nazis during the Holocaust saw Jewish and Gypsey children as not being human and therefore felt free to cruelly destroy them, these Pakistanis saw White British non-Muslim girls as not fully human , as remember NO Pakistani girls were abused by these gangs- and felt no conscienceless in gang raping these girl and torturing and beating and terrorizing them again and again and again , often over years,. harrowing , frustrating will and will make you cry and depress you but it is a story that needs to be told.hese men see white British girls as worthless, promiscuous because of their skin colour and background, expendable , basically as cheap meat, whom they can abuse and destroy , without having to release their sexual energy by harming their own Muslim females.

Hannah was told she would be battered or killed , her younger sisters raped (at 14 she was only a child herself) , her parents murdered, and her family house burned down if she told anyone or stopped letting them pass her round among these hundreds of cruel Pakistani mean

The details of what was done to her are not sugar coated, They are brutal and gruesome

Also what made me livid was how when she did report her case to police and Rochdale social services, , the case was thrown out and she given no protection resulting in more than another year of suffering these atrocities. she was told she had chosen to be a prostitute (a child of 14!) asa lifestyle choice. This was partly because (as it was in Rotherham where 1400 girls were passed around by another evil rings of pedophile Muslims) the authorities did not want inconvenient politically incorrect truths to emerge that could 'strain community cohesion)

Also because these girls being from impoverished white backgrounds and 'chav children' were seen as expendable and not with saving , certainly not causing ructions over.

The fact that the men who were doing these things to them were physically, mentally and emotionally, far stronger than these vulnerable defenseless children (some as young as twelve) still did not matter to those with the power to stop it

Her parent also were not blameless, they should have helped her more and understood what she was going through I was aghast reading how when Hannah turned 16 and Emma came to try lure her back into the Pakistani circle, her mother simply threw Hannah out the house despite Hannah's crying and desperate please and at a time when Hannah was ready to break away from the evil gang's clutches.

Eventually with the help of a caring teacher at school, a wonderful compassionate social worker Jane and a dedicated lady detective Susan, Hannah did escape their clutches after becoming pregnant (her baby Chloe would give her the determination to rebuild her life from the ashes of unfathomable abuse and cruelty) she did bring the gang to justice (though they should have got life sentences which they did not!

Also the police and social services who refused to act should also have got prison sentences but they got off scott free.

Hannah makes the point that while there are plenty of White pedophile rapists in Britain, the difference is they do not phone all their friends to comer and pay to have sex with a fourteen year old.

She also remarks how there has always been massive media coverage of girls trafficked for sex from other countries into Britain and NGOs which strive to help them and put an end to international trafficking , but nothing has been done for British girls trafficked within their own country.

Hannah deserves an award, a prize for valour and human rights advocacy. she is as much a hero as Nobel Peace Prize winer Malala Yousafzai

She is true heroine who deserves an amazing life. My admiration and love to her. I hope that by purchasing this book and reviewing it I could in my own way contribute to Hannah's success and to fighting the scourge Britain's child sex rings. Decent people of all races and religions in Britain have to act now to stop this phenomenon,' and bring both the child groomers and their protectors to justice, so that thousands more innocent lives will not be cruelly destroyed

Brave girl

By Katie Brady

Incredible story but so terribly sad. This girl was vulnerable and sucked in by this wicked evil depraved group . But so brave to tell her story and subsequently take them on

poor exploited children let down by society

By K. Dillon

Justice at last, it should have been 3 years earlier but it happened eventually, hope these young ladies manage to find peace within themselves.
