Author's name misspelled

By Lawrence E. Dunlap

The author's name is Larry Dunlap (not Dunlop). I cannot write a review my own work. However, I am giving it 5 stars.

Jazz musicians bible for learning how to play at a jam session!

By Marlina Teich

This book is an excellent source for any aspiring jazz musician at any level as it goes from the basics through the advanced information necessary to be a promising jazz musician. I've read tons of material out on jazz but this book is a practical approach plus you have the added audio access to tons of songs with simple arrangements one can jam along with and get ideas for intros and endings. I can't say enough about this book set. Larry Dunlap is not only a respected jazz musician but educator as well. Five stars!!!
