JEROME (THE EARLY CHURCH FATHERS) BY STEFAN REBENICH PDF

As a scholar, writer and ascetic, Jerome was a major intellectual force in the early Church and influenced the ideals of Christian chastity and poverty for many generations after his death. This book assembles a representative selection of his voluminous output. It will help readers to a balanced portrait of a complex and brilliant, but not always likeable man.

Good bio and sampler

By SkookumPete

The biography that opens this volume is short but well reasoned. Rebenich attempts to give a new view of Jerome: revising, for example, the common picture of his lonely sojourn in the desert to one of a man living on a country estate with a team of copyists (although he did no doubt spend some time in solitary meditation). The texts have been selected to show the range of Jerome's literary activities. There is also a good bibliography. On the whole, I would recommend this book over Kelly's excellent biography as a first book on Jerome, simply because it is impossible to understand the man without reading more extensive excerpts from his writings than Kelly provides.

Jerome

By A. C. Horton

Rebenich does an excellent job of collecting enough information in one book to give a detailed look at the life of Jerome. Interspersed translations of letters give an additional feel that only comes from primary sources, a nice addition to the span of the articles. The footnoting is relevant, detailed, and informative. To find this amount of pertinent articles and letters elsewhere would take at least a few full days of searching.

Not worth the cost

By Jerry

Not worth the cost. You can buy better books for a tenth the cost.
