KANE'S RANSOM: A BWWM MAFIA ROMANCE NOVEL BY SAMANTHA WESTLAKE PDF

No one walks away from the Mob...

Killian Kane, a former Mafia man. After years of doing the Mob's dirty work, Killian wants nothing but to be left alone so he can't hurt anyone else. He fought his way out of his old life, and he won't be dragged back in.

Alicia Wayne, a young black waitress. She's fought her way out of the ghetto, and although her job isn't glamorous, Alicia enjoys it - especially when that hunky but quiet man, Killian, stops by the diner. But when she gets a phone call that her brother's in trouble, she has to beg Killian for his help.

Alicia needs Kane to help rescue her brother - she's desperate and willing to do anything. But can Kane really bring himself to return to the dark Mafia world that he left behind? And even working together, can they save Alicia's brother - and confront the unspoken attraction growing between them?

This FULL LENGTH, STANDALONE NOVEL clocks in at more than 55,000 words, and is guaranteed to provide twists, turns, and mouthwatering excitement! There's plenty of sexiness, and a guaranteed HAPPY ENDING - but only if you can handle the intense story!

A Heartwarming BWWM Romance

By Tara

I received an ARC of this book in exchange for an honest review.

Settle down with a latte and get ready to have your hearts melted by Alicia and Killian! Alicia and Killian are two people from different worlds who meet in Commerce, a small town in Texas, where they both end up in an effort to escape the shackles of their old life. Commerce for Killian represents a new beginning in an environment where he is anonymous, while for Alicia it represents a chance to make something of herself. A friendship develops between the two which revolves around the diner where Alicia works as a waitress and Killian is a regular customer. When Alicia's brother is in trouble, she requests help from Killian....This then fast tracks the romance whose seeds had been lying dormant due to the inability by the two to see past their differences.

What I liked about the story is the fact that Alicia and Killian got to know each other over several months, as friends first, with their attraction to each growing over time. This made the romance between them

believable, as opposed to an insta-love type of romance. The highlight of the book for me was the following statement: 'He had come to know her mind long before he ever slid his hands over her body, and even if she had been ugly, paralyzed, any other number of factors that would usually be a deal breaker, he'd still love love her, would still love that personality inside her. He'd still love that determination, that iron will hiding beneath her nervous exterior.' Now that's true love!!

What didn't work for me in the story, is the constant references to the age gap between Alicia and Killian. He's 42 years and she's in her 30s. That hardly makes him a cradle snatcher! If she'd been 18 years old to his 42 then the references would have been justified....

I give this book a well deserved 4 stars as I consider it to be a well written BWWM romance with the right balance of action and some really hot romantic scenes!! The story is well-paced, has a lot of depth and definitely melted my heart. I look forward to reading more books by Samantha Westlake.

Kane's Ransom is a great read

By April R Symes

Alicia and Killian are two opposites that end up coming together in a blaze of attraction. They meet in Commerce, a town in Texas, where they both came to which is where they ended up after they ran to after they escaped their pasts. Commerce represents something different for each of the MC.-for Killian, its a new beginning while for Alicia, it's a chance to make something of herself, something better.

This isn't a immediate wham, bam kind of romance, its one where they meet, then start off as friends and then the romance progresses. Killian is such an alpha and dominant while Alicia is so fiery and sweet. Alicia needed help so she goes to Killian...and the story goes from one story and leaps into another. You will not be bored. I wish there was more to this story because I do not think Alicia and Killian's story was finished. I wish I knew if they got their HEA or if it was HFN..it was left up in the air when the book ended. And there was something about Killian's "friend" Jiggs..maybe there might be more of a story about him. Some unanswered questions lingered, but overall, this is a good story.

My rating: 4.4 stars *****

Love! This needs to have a sequel!

By Sameisha B.

I loved this book! I received this book in exchange for my honest review. I couldn't put it down which is why I was a little sad it ended. Kane was so hot and mysterious! And Alicia is so cute and fiery! They make the perfect couple. Their time in the hotel was sooo hot! I wish there could be a sequel to this book because I feel like there's more to their story and something doesn't sit right with me about Killian's old pal Jiggs. But all in all great book I just wish it was a little bit longer.
