A lovely vintage edition of this classic jewel

By Lola Brown

There is much beneath the surface in this beautiful story.

I was able to study it with a French professor who is very knowledgeable on the life of the author. His additional information gave so much meaning to St-Exupéry's life and words.

By Lynn

It was very old and on the inside cover had a marking that it sold for \$2.99 when purchased for \$15. Looks NOTHING like the picture.
