If you intend to download the Matthew Barney: River Of Fundament By Okwui Enwezor, it is quite easy after that, since now we extend the link to purchase and make bargains to download and install [Matthew Barney: River Of Fundament By Okwui Enwezor](#) So very easy!

MATTHEW BARNEY: RIVER OF FUNDAMENT BY OKWUI ENWEZOR PDF

On the occasion of a major exhibition, performance, and film premiere, this book considers Matthew Barney's epic seven-year project, an odyssey of death and its mythologies. This long-awaited volume documents the full breadth of this ambitious new project, the first major series by the artist since the legendary Cremaster cycle. *River of Fundament* is directly inspired by Norman Mailer's Egyptian novel *Ancient Evenings*, his infamous classic that chronicled the passage of a narrator through the stations of death and reincarnation. In a sequence of unique live performances, a series of massive sculptures, and, finally, a marathon-length opera in cinematic form, made with the artist's longtime collaborator, the composer Jonathan Bepler, Barney has elaborated a richly perverse and complex universe in which mythology, iconography, narrative, sex, and death are inextricably entwined.

Organized according to the narrative structure of the film, the book features sculptures (made from elemental materials such as iron, sulfur, bronze, lead, salt, and copper), drawings, film and live performance stills, storyboards, and original scores by Bepler. A comprehensive essay on the exhibition and film project by Okwui Enwezor provides an overview of the entire project. The book also includes contributions by literary theorist Homi K. Bhabha and critic Hilton Als, as well as facsimiles of the playbills produced for the related live performances.

a retelling that visually incorporates themes of love and regeneration

By Verona

This book, truly, is a for fans of this staggering film. I viewed the film in Hobart, Tasmania, after reading about it for months. It is a sort of re-imagining for Mailer's *Ancient Evenings*; a retelling that visually incorporates themes of love and regeneration, the loss of the manufacturing industry, relationships to our forbears and what we leave behind. Go read the book, see the film, then buy this for a fulsome sense of storytelling completion.

River of Gold...

By lightbearer, fallen

This is a fantastic book. Worth the wait and its weight. I won't be reading the essays and synopses (of which there are many) until I finish Ancient Evenings (halfway there. Highly recommended if there is doubt) and then amendments shall be made. A wonderful testament of that which was and is and is to come (soon I hope). A delight in every way. That's all you get. Anything else you need is up there in the description.

A great book for Matthew Barney fans.

By Art

Great photos of the exhibit and nice essays about the movie and exhibit. I read this before I went to the exhibit, and am glad I did.
