About the Author

Jacob Lauterbach (1873-1942) was born in Galicia, studied in Germany, and received rabbinical ordination. In 1903 he immigrated to America and later became professor of Talmud at the Hebrew Union College. A prolific author, his greatest work is considered to be his edition of the Mekhilta, originally published in 1933.

David Stern is Ruth Meltzer Professor of Classical Hebrew Literature at the University of Pennsylvania, and director of its Jewish Studies Program. He is also a member of the university's Department of Religious Studies and Program in Comparative Literature.

You could save it in your computer device as well as gadget.

MEKHILTA DE-RABBI ISHMAEL, 2 VOLUME SET FROM BRAND: JEWISH PUBLICATION SOCIETY PDF

Mekhilta de-Rabbi Ishmael is a classic collection of midrash. It contains commentary on a large part of the Book of Exodus (chapters 12 to 23) and represents the two main modes of interpretation: the halakhah (legal doctrine), and the aggadah (moral and religious teachings). The work also contains allusions to historical events and ancient legends not found elsewhere.

A new introduction by noted scholar David Stern highlights the work, now published in a convenient two-volume set. It retains the original text from the JPS 1933 edition, reset in a modern, readable typeface, with Hebrew and English on facing pages and the original indexes.

This classic work is widely recognized as a model of meticulous and thorough scholarship. Its translation is accurate, straightforward, and usable by scholars, students, and lay readers. Out of print for many years, it will be heralded as an important reissue that should belong to every rabbi, rabbinical school, and Jewish Studies professor, and will be an important addition to synagogue libraries and public libraries with Judaica collections.

Rabbi Ishmael on Exodus

By Alan R. Cushway

A very fine book of Rabbinic commentary and story on Exodus 12-35. The student interested in rabbinic literature and its usefulness to NT studies should enjoy this work. With both a Hebrew/Aramaic text and an English text, the learner can avail themselves of either or both sides of the page. This can be used as a commentary supplement or just to sit down and read a few pages for enjoyment. Some knowledge of Jewish concepts is helpful but not critical to its usefulness.

A reissue of a Jewish classic

By Shalom Freedman

This is a reissue with new introduction of a fundamental Jewish interpretative text.
