Book one in The Earth Angels

Investigative journalist Kendall Glynn is horrified when a friend and colleague signs off permanently during a live newscast, jabbing a pen into his jugular. Kendall's no expert, but judging by the strange white veil in the anchorman's eyes, she would swear he was a man possessed.

A descendant of the accursed Nephilim, Zeke Reece prowls San Francisco by night, keeping the city free from paranormal phenomena. But even he is no match for whatever malevolent force is behind a recent rash of murder-suicides. And when a beautiful tenacious reporter becomes the next target, Zeke has no choice but to stay close to her, until he can find the evil spirit and cross it over.

The closer Kendall gets to the truth, the more danger she's in. Fortunately, a sexy and mysterious masked stranger keeps swooping in to the rescue. Kendall's life depends on finding who or what is responsible for the killings, before it finds her.

Review: Nobody's Angel - 3.5 Stars, B+

By Jen Twimom

My Rating: 3.5 stars: Liked it - recommend (B+)

Evil is among us, and investigative reporter Kendall Glynn has just enough para in her normal to realize things are not as they should be. When she witnesses firsthand her coworker and friend attempt to kill his co-anchor and then end his own life while on air, Kendall notices a strange veil of color in his eyes. Then when EMT Zeke Reece questions her about the apparently freaky eyes, Kendall starts to put her investigative skills to good use, trying to uncover what is happening.

Zeke seemingly knows more than he's letting on, yet he attempts to discredit Kendall and turn her away from the story. He was aloof and tried to make Kendall feel stupid for believing she saw something out of the ordinary. This bothered me - knowing that Zeke and Kendall would eventually become a couple. However, I enjoyed that Kendall recognized Zeke's attempts to discredit her, and instead of letting it bring her down, she

fought harder for the truth.

The reader (and eventually Kendall) discovers that Zeke is a human descendant of the Nephilim (children of angels and human women). Due to the particular Nephilim from which Zeke originated, he has extraordinary abilities, which he uses to protect humans under the guise of the Guardian Angel - a superhero-like, mysterious man. One of the things I enjoyed about the world-building in *Nobody's Angel* is how Kendall learns about the Guardian Angel (Zeke) via reading newspaper clippings on the web. It fits the feel of the story since Kendall is a reporter, while affectively giving the reader a tremendous amount of background without it being "told" the information.

Kendall meets the Guardian Angel and feels an inexplicable attraction, although he keeps his identity well masked. Then as Zeke and Kendall begin spending more time together, their mutual attraction gets the better of the pair. They share a sexy kiss in a coffee shop, and it was easy to get wrapped up in the emotions surrounding a really good first kiss. I also liked how Kendall pulled away, questioning her feelings towards the Guardian Angel while kissing Zeke.

Kendall is a smart woman and eventually pieces everything together (including Zeke's identity). I felt that Zeke and Kendall worked well together, when he wasn't trying to sabotage himself. I continued to be frustrated throughout the story at Zeke's treatment of Kendall's theories, claiming he knows more than she. I felt he belittled her one too many times.

Nobody's Angel is an excellent introduction to Ms. Gail's *Earth Angels* series. The novella-length story provides a good foundation for the series, which continues with the second book, *Savage Angel* (February 2013). Although sometimes the characters felt a tad over-the-top and slightly dramatic, I was impressed with the mythology, and the smexy times were hot. I look forward to more mischief from this new world created by Ms. Gail.

A Reading the Paranormal Review

By Kelly Rubidoux

I have a deep, dark secret to admit to. Prepare yourself. I am smitten. Both with Stacy Gail's writing and the fact that the beautiful man on the cover of this book is not waxed to within an inch of his life. *swoon* Also, his wings are kinda awesome.

Now, Kendall and Zeke have this smoldering longing going on. The type that makes you want them to smooch together in a small, enclosed space and possibly get sweaty. Or just kiss. Whichever. They have the sneaking looks and the throbbing loins and all that other stuff that's pure awesome. I'm a sucker for this type of smolder. An absolute sucker.

ahem Right. So, Zeke's ancestry and the gifts he's been given are intriguing. Kendall's probing, investigative-type questions about the consequences of using his gifts opened up a whole world of possibilities that I hope we get to explore with others of his kind in later books.

The book was just flat out fun. It was dark, often dangerous, and definitely sexy. Stacy Gail has created a compelling set of characters and a bad guy that was skin-crawlingly creepy. I'm ready for the next book.

For a short read, *Nobody's Angel* was a fantastic listen.

By Felicia The Geeky Blogger

Listened for Fun (Audible)

Overall Rating: 3.75

Story Rating: 3.50

Character Rating: 4.00

Audio Rating: 3.50 (not part of the overall rating)

Quick Thoughts for a Quick Book: For a short read, *Nobody's Angel* was a fantastic listen. In fact, I think I found a new way to enjoy shorter stories. For some reason, narration added an extra layer to the story and it felt deeper than if I read it. Kendell and Zeke were both well-rounded characters that I was rooting for the whole way through. The mystery was well-planned and thought out. I thought the story could have been longer and deeper (there was just something missing I couldn't put my finger on) but overall I enjoyed it. Great read for an afternoon on the porch!

Audio Thoughts:

Narrated By Romy Nordlinger / Length: 3 hrs and 34 mins

This is my first time listening to a book narrated by Romy and she did a pretty good job. I think she made me like *Nobody's Angel* more than I normally would have but I didn't get a chance to get used to her male voices. It sometimes takes me a bit to warm up to male voices done by females and in short books that time just isn't there. I will give her another whirl though!
