A good read!

By Leslie B. Pruitt

One of the best commentary on eternal security

4 of 4 people found the following review helpful.

Definitely Worth the Read

By Calliope

Almost anything written by William MacDonald is worth reading, and this book is no exception. His style is clear, he adheres to Scripture and does not waste our time with silly stories and meaningless illustrations, as is common with many current Christian books. He gets to the heart of the matter and gets there quickly.

Obviously this book deals with the classic debate on eternal security. Can a believer lose his/her salvation? For those wrestling with this question, this book is a gem. As the title implies, MacDonald does a nice job of showing that those who truly have placed their trust for salvation in the Lord Jesus Christ are secure forever.

Charles Stanley, in his book, "Eternal Security: Can You Be Sure?" would agree with MacDonald on the

subject that real believers are eternally secure--but Stanley does a terrible job with the subject. In fact, I keep Stanley's book on my shelf as a bad example of exegesis! So. . . if you want a good book on the subject, stick with MacDonald's!
