Some things Are Impossible

By Lonnie Piper

You must be out of your mind. If you served in any branch of the service like me. Thn you know they have more information on you than they have on Obama. They have a sample of my blood, my dna, my fingerprints, my HOR, and all the informatiom on my family and friends. I had a secret clearance so they know more about me than I do. You think your \$100 book can erase my DNA and finger prints vanish\$
