From School Library Journal

Gr 4–7—Fans of this unique fantasy series will want to reach for this collection of short stories about mystical and transcendent characters of the animal world. Each of the five tales delves into the conflict of the spirit animals and the threats they face. Nicola Barber's performance deserves high praise as she completely engages the listener through her depiction of the various characters. Young listeners who want to learn more of the world of Erdas will certainly be compelled to keep listening to the end. High levels of adventure, drama, and suspense ensure that this series continues the excitement that initially attracted fans. Young listeners will enjoy the danger and villainry as well as the bravery and heroism.—Sheila Acosta, San Antonio Public Library

Review

Praise for Spirit Animals

A New York Times bestseller

"Mull kicks off the multiplatform Spirit Animals series with an exciting first installment." —Publishers Weekly

"Mull masterfully draws readers in . . . [they] will have a hard time putting this book down." —School Library Journal

"An insightful look at what it means to be a hero, with the glory it brings and the sacrifice it demands. The accompanying game offers an exciting off-page experience." —Kirkus

THE BOOK OF SHANE: COMPLETE COLLECTION (SPIRIT ANIMALS: SPECIAL EDITION) (SPIRIT ANIMALS SPECIAL EDITION) BY NICK ELIOPULOS PDF

Friend and traitor. Conqueror and king. Hero and villain.

Shane is just a boy, but in order to free his people, he's resolved to do whatever -- to become whomever -- his mission requires. Throughout their journey to save the world, Conor, Abeke, Meilin, and Rollan have faced this dangerous foe again and again. But none have learned the truth of the boy who nearly changed the course of history forever.

Now that truth is revealed. With an introduction by Tui T. Sutherland, the New York Times bestselling author of *Spirit Animals: Against the Tide* and the *Wings of Fire* series, this collection sheds a light on the past, present, and future of the boy who would be conqueror -- and the role Shane has yet to play in the dangers still to come.

Good read

By William Muller

This is a good book pre to teen levels of reading. Has insight to folklore, animals, that can crank up a young person's mind to many possibilities. When a book tears me away from reality for a bit and lets my imagination see with the eyes of the character(s)/author, and I feel enjoyment from reading it, it is a good "read". Too often our imagination is dulled to shades of gray, this brings back color and life.

4 of 4 people found the following review helpful.

Five Stars

By Mindy Peter

Really great books for younger kids 10-13yrs old.

Rekindled an interest in reading in a young adult

By Steph K.

Most of the reviews for the book are from kids & their parents so I felt like a review from someone in their mid-twenties might be relevant. I will say that I am not much of a reader but, I took a trip recently to a local bookstore and saw a poster & setup for this series in the window of the store. I checked out the young adult section and they had the *Spirit Animals* series there, so I decided to grab this and give it a go.

I really enjoyed the short-story format. Makes it a great book for reading in bed at night, you can read a few pages & pick up where you left off the next day easily. I'm a lover of animals/fantasy type stories so I was really drawn into the story and the lore behind each beasts' story.

Overall, it's a nice, easy read and I highly recommend it to anyone interested in shorter stories. I'll have to head back to the bookstore & check out the main series next (or some of the other splinter series books about the animal spirits). This definitely rekindled an interest in reading for me!
