THE PET SHOP - FULL LENGTH EROTIC NOVEL (XCITE EROTIC ROMANCE NOVELS BOOK 2) BY K D GRACE PDF

Wow! Seriously, wow! I had no idea what I was getting myself into when I crossed over to the extremely kinky side of having human pets! - Night Owl Reviews

The Pet Shop by K D Grace is, bar none, the best erotic romance novel I've read in a really, really long time. - Romantic Reads

WOW! The Pet Shop was such an unexpected and mindblowing read that not only have I gobbled it up in no time but it shot straight to my Top Reads of 2011 list! - The Forbidden Bookshelf

An erotic novel by best-selling author of The Initiation of Ms Holly, K D Grace.

In appreciation for a job well done, STELLA JAMES's boss sends her a pet, a human pet. The mischievous TINO comes straight from THE PET SHOP complete with a collar, a leash, and an erection. Stella soon discovers the pleasure of keeping Pets, especially this one, is extremely addicting. Obsessed with Tino and with the reclusive philanthropist, VINCENT EVANSTON, who looks like Tino, but couldn't be more different, Stella is drawn into the secret world of The Pet Shop. As her animal lust awakens, Stella must walk the thin line that separates the business of pleasure from the more dangerous business of the heart or suffer the consequences.

Can't remember the last time I read such a combustive erotica novel!

By Stella (Ex Libris)

A fantastic story, one of my top reads of 2011!

WOW! The Pet Shop was such an unexpected and mindblowing read that not only have I gobbled it up in no time but it shot straight to my Top Reads of 2011 list!

The Pet Shop gives the reader a glimpse into the secret world of an elite and secretive organization which hires out human pets for sexual pastime. We get to learn about the ropes of this unknown world and its customs through Stella's experience who receives a male pet, Tino as a reward for a job well done. At first she is shocked and disgusted, but soon she succumbs to her sizzling chemistry with Tino and the thrill of this extraordinary experience.

The very gradual development of Stella's thoughts and feelings to this whole pet concept and her own role in the equation was done very well making the reader see and understand why she does what she does.

The combustive sex scenes (which trust me don't come any hotter than this!), the interesting and well developed characters and the stellar writing all make The Pet Shop a fantastic read, but what makes it outstanding is the fact that there is a larger picture, a plot to the story which gives a nice framework to the erotica. The Pet Shop is an amazing erotica story combining all kinds of erotic scenarios and putting its own twist on them. A highly unique approach of the dom/submissive pairing is at its center and I loved the exciting premise of spicing it with the owner/pet power disparity and personal relationship.

If you fear that the whole pet set up might be too kinky for you, I'd advise you still give it a try (make no mistake, these are humans having sex, there is just some serious role play going on, so no furry creatures at all!). The quality writing and the hot erotica will draw you in and the concept will make you think long after you have finished the story.

Verdict: I can't remember the last time I read such a combustive erotica novel! Every single sex scene is scorching hot and I loved that it was a full length novel and not a novella, it was so great that the story went on longer! What made The Pet Shop such an outstanding story was that besides the scorching hot erotica it was still an exciting story with intelligent characters and so much emotional substance which is quite rare in erotica novels. One of the hottest stories I have ever read, a definite Forbidden Favorite, and K.D. Grace just became an author I'll have to watch!

Plot: 8/10

Characters: 9/10

A steamy, naughty romp!

By Jennifer L. Bailey

Please forgive me if I gush. In fact, I'm going to rave. I'm a giddy fan-girl. The Pet Shop by K D Grace is, bar none, the best erotic romance novel I've read in a really, really long time.

It's scorching hot, creative and kinky, and heart-warming. Reading this novel requires a fan, a stiff drink and probably a cigarette or two. It's that hot.

It's not just the sexy scenes that make this book so great. There's a real plot, real conflict and a deeply moving love story. It's the best of everything. And, at over 250 pages, it's a full-length novel with fully developed characters with emotional substance.

Tino and Vincent are two sides of a very drool-worthy coin.

Vincent is hot, intriguing, with a dominance streak that protects a vulnerable soul. Add in sexy as sin and richer than any man has a right to be, and he becomes a sexual fantasy come to life. But he's not perfect, which makes him, if you'll forgive me, the perfect romantic hero.

Tino is sensuality, submission and eager adoration in one very sexy package. Like a good Pet, his goal is to please his Keeper. Sometimes he misbehaves, though, in very naughty and delightful ways.

Stella is a driven, hard-working, responsible employee--not the type of woman to ever hire a Pet. To be perfectly blunt, Stella is the only (very minimally) flat note in the entire novel. I get a real feel for Vincent, and even Tino, as a person outside of the sexual interaction. I don't really get a feel for Stella. Everything we learn about her comes from things other characters say; no really through her own actions or internal dialogue.

Now, let's talk about the sex. Oh, boy, the sex. *Reaches for a cold drink.* The sex is hot, creative, varied, tender, desperate, and, above all, FREQUENT. There's a lot of sex going on in this book. There's mild BDSM sex, some kinky sex, M/W sex, M/M sex, M/M/F sex, F/F/F sex, romantic sex... The sex is explicit and, despite the variety and explicitness, it's beautifully written. And, I guess, best of all, it never quite feels like Grace just grabbed any random sex act she could imagine and dump it in, just because. In almost every instance, the love scenes drove the plot forward.

This book isn't all about the sex, though. There is a real plot, with real conflict and real intrigue. The characters have obstacles and revelations that must happen before they can find their HEA.

If you like hot steamy sex, held together with a story of real content, you have to read this book. It is absolutely fabulous.

May I keep him, please?

By Summer Grouse

Ever hear about someone giving a pet as a gift to someone else who did not ask for one? That's what happened to Stella, the work-aholic assistant to The Boss. Only, Tino, was no ordinary pet. He was a gorgeous man, hot and ready to play all weekend long. Stella may have not liked having a pet at first, but by the end of the weekend, she was looking forward to the next time Tino came over. Stella and Tino were fast

becoming inseparable until one day, Stella sees a news article about a reclusive environmentalist, Vincent, who looks a lot like Tino. Who is Vincent...who is Tino? Stella soon discovers much more about Tino and the store from which he is delivered. She also learns more than she ever knew about her own boss and the businesses he runs. In order for Stella to have more time with Tino, she will have to delve into a world she never imagined. Can she do it?

This is one intriguing book! I knew the story was going to be fun to read, but I got much more than expected. I loved the characters and how they had so many layers to them. They were not what they seemed at first. The story was also multi-layered, with twists and turns along the way. I loved the raw animal passion expressed between the characters and the love story that held them together. After reading this book, I hunger for more of what KD Grace has to offer!

I received this book as a review copy in return for an honest review.
