No wonder I graduated summa cum laude

By L. Simmons

Hadn't read a Nancy Drew book in 40 years but now have a 7-year-old... We read the second in the series (Hidden Staircase) aloud together. Then I downloaded this book (The Secret of the Old Clock) onto my Kindle and stayed up past my bedtime to finish it. Next day I decided my daughter needed a Kindle of her own. Two days later, I loaded her new Kindle with a dozen good books for age 8-12. Guess which she picked to read first? She is reading like in a trance this morning--while walking here and there and eating breakfast.

My perspective has changed since I read these books as a child--often aloud to my little sister. Wow, what terrific books! The vocabulary is rich. The sentence structures are engaging. Then consider the content. The heroine, Nancy Drew, is smart and brave. She interacts with people in appropriate ways. She actually has leadership qualities. The plots are exciting in a who-done-it fast-paced way, even though at times improbable. This is exactly one of the types of books I want my daughter to read.

This book would be great as a read-aloud to most 7 and 8-year-olds. The reading level is probably best for most slightly older children (9-12?). My daughter recently tested at sixth grade level in reading and Nancy

Drew is challenging for her, especially the vocabulary. Nancy is good competition for video games. Enjoy the book(s)!

New to Nancy Drew

By Denisebea

This book arrived in the mail today. I am very pleased with the packaging and of the way the book looks. As a hard copy, the pages are worn but sufficiently good enough for a new reader to handle. Our 2nd grader is an avid reader at 3d or 4th grade reading of library books. I felt she was ready for the Nancy Drew series. Once she sets her mind to reading, we have to lure her away from the book to do something else -- but she always goes back into the story. For this we are terribly grateful. Because if it's not there, you cannot force a child to read. I recommend all such books to any child who shows an interest in reading because I remember myself and I loved being a part of the story from the outside looking in.

not what it was advertised to be

By Reader in D'town

I'm teaching a course on women mystery writers and wanted the original 1930s Nancy Drew. This is a revised Nancy Drew from the 50s or 60s. She's been toned down and washed out. Bah humbug.
