Most helpful customer reviews

2 of 4 people found the following review helpful.

was expecting something more interesting

By Robert Shuler

I was told that this tutorial approach was improved over just working problems at the end of the chapter in a textbook. But I cannot really tell the difference.

0 of 1 people found the following review helpful.

Five Stars

By AKHLAS

Everything was as expected.

0 of 3 people found the following review helpful.

i don't know there is homework inside. So i bought another homework book

By haosenx

As mentioned, it should announce that there is a homework inside. But the book is nice and useful. Anyway, it is good. I like it.
