UN OSO LLAMADO PADDINGTON (SPANISH EDITION) BY MICHAEL BOND PDF

Un osito espera con mirada suplicante en la estación de Paddington; está sentado sobre un montón de maletas y lleva un cartel colgado: ¡CUIDEN DE ESTE OSO, POR FAVOR! La familia Brown se apiada del animal y se lo lleva a casa. Empieza así una divertida sucesión de conflictos entre el adorable oseño y su afán por integrarse a las costumbres de los humanos que juzga incomprensibles.

Osito Paddington en español

By C. C.

This is an excellent book and Paddington is a lovable bear. This particular translation into Spanish is slightly questionable at times - where on occasion it feels as though the interpretation was very literal - but it's not so jarring as to take away from the overall charm of the book. It gets the message across to Spanish-speaking readers well enough, with a few pauses along the way to figure out what a certain expression or word means in Spain that is not used in Latin America. I will continue to search for other translations, but overall, this is a nice interpretation that tells the story. I would recommend it to be read to children of 6 years and up.

Lovely...inside and out.

By Pen Name

We love this book and Paddington's occurrences that we just had to have it in our collection. Both my boys (4 & 10) ask me to read it to them all the time. The translation uses a Spanish used in Spain... Being from

Latin America, we quickly noted the difference but, it is Spanish nevertheless. We love it and wished there were more of Paddington's books in Spanish.
