# UNDER COVER OF DARKNESS BY JAMES GRIPPANDO PDF

Why ought to be book *Under Cover Of Darkness By James Grippando* Book is among the easy sources to seek. By getting the author and motif to obtain, you can discover a lot of titles that offer their information to obtain. As this Under Cover Of Darkness By James Grippando, the inspiring publication Under Cover Of Darkness By James Grippando will give you what you need to cover the task target date. And why should remain in this web site? We will ask initially, have you more times to choose going shopping the books as well as hunt for the referred book Under Cover Of Darkness By James Grippando in publication shop? Many people might not have enough time to locate it.

From Publishers Weekly

A workaholic attorney is forced to examine his priorities when his wife disappears amid a spree of serial killings in the Pacific Northwest. Grippando's fifth thriller (*The Pardon; Found Money*) springs energetically from the gate, creating tension and pace before a few unbelievable plot twists cause it to lose traction. Attorney Gus Wheatley, general partner of one of Seattle's biggest and most prestigious law firms, is interrupted from his busy schedule by a call from his daughter's dance instructor: his wife, Beth, failed to pick up six-year-old Morgan after class. At first merely annoyed, he next assumes his wife is having an affair (they have been experiencing marital problems) but soon calls police when he realizes Beth has disappeared without a trace. Ambitious FBI agent Andrea "Andie" Henning believes Beth may have fallen victim to a serial killer. In the days following her disappearance, Gus is stunned to learn that his wife suffered from bulimia and kleptomania, conditions pointing to extremely low self-esteem. Her emotional condition and other clues—strange phone calls, a tip from a prison inmate—eventually tempt investigators with another theory: Beth may have joined a local cult that includes murder among its group activities. The most successful component of this story is Gus Wheatley's growing awareness of his emotional separation from his family. Former trial lawyer Grippando displays expertise in police and legal procedures, but the connection between the killings and the cult strains credulity. Several key characters are not drawn convincingly, and the finale is more of an ambush than a surprise. (July)

From Library Journal

In this latest from Grippando (*Found Money*), the marriage of high-powered attorney Gus Wheatley and his insecure wife, Beth—already unfamiliar terrain to both partners—is invaded by a serial-killer. Beth seems to have it all: the perfect home and a precious young daughter. Yet she vanishes one afternoon without taking a single piece of her life, including her child, who is left waiting all evening at private school. Rookie FBI agent Andie Henning has recently ditched her loser of a fianc at the altar and welcomes the opportunity to work on what turns out to be a high-profile serial-killer case. Gus's world continues self-destructing, as his daughter, sister, and colleagues judge and reject him, the killer piles up Beth lookalike victims, and eerie telephone clues indicate that she may be alive and in the killer's clutches. In the meantime, Gus learns some rather sad and unsavory things about the wife he thought he knew. Another riveting tale of suspense from Grippando.

From Kirkus Reviews

Grippando's latest lawyer-in-distress yarn asks what happened to the missing wife of a successful attorney, and comes up with an answer beyond your wildest dreams. Gus Wheatley's wife Beth didn't pick up their preteen daughter Morgan from her big-ticket school for the best reason in the world: Beth had vanished--without packing her bags, taking her car, or touching her bank account. The Seattle cops, joined by the FBI, fear that she's the latest victim of a serial killer whose first two victims were graying 51-year-old divorcees who both drove Ford pickups, and whose third victim looked an awful lot like Beth. And as Gus, held at arm's length by the partners whose firm he'd been managing before Beth's vanishing act brought up the abuse complaint she'd briefly entered against him years earlier, takes his first close look in years at the stranger who'd shared his bed, what he finds is unnerving. Beth had suffered from bouts of bulimia and shoplifting she kept from her husband, though she confided every last detail to his sister Carla. What other secrets had she been hiding? And what to make of clues that suggest she's still alive and maybe even conspiring with the still-active killer? Unhappy with the inconclusive reports of FBI profiler Victoria Santos (*The Informant*, 1996), Gus decides to offer a fat reward for information about Beth's whereabouts, and the convict who claims the bounty dangles a single clue that links Beth to a nefarious cult, whose appearance sends all credibility from whooshing from the tale like air from a punctured balloon. FBI agent Andrea Henning's climactic infiltration of the sect answers every question about Beth's disappearance and the trail of murder surrounding it except one: who could possibly believe this stuff? An ingeniously entertaining mess for readers who won't mind the way the case soars off the rails, or who just plain don't like cults. -- Copyright © 2000 Kirkus Associates, LP. All rights reserved.

# UNDER COVER OF DARKNESS BY JAMES GRIPPANDO PDF

The youngest lawyer ever to grab the helm of Seattle's most prominent law firm, Gus Wheatley has found success—as well as money, power, and prestige. He thinks nothing can interfere with his meteoric rise to the top. Until his wife, Beth, vanishes.

Beth's disappearance coincides with a series of brutal murders the FBI dubs the "bookend killings." They think Beth is the killer's latest victim... or his willing accomplice. But Gus knows his wife would never ally herself with a cold-blooded killer. The further he searches, however, the more he discovers that Beth isn't the woman he thought he knew.

Beth may be alive. She may or may not be innocent. She may have come up against evil far more reaching than a serial killer. And for Gus and his family, that evil is much too close to home.

A COMPLEX,NAIL-BITER

By Nick G

Gus Wheatley has success, money, power, a loving wife, and a beautiful daughter, until one day his world shatters.

Gus's wife, Beth, disappears.

FBI profiler, Andie Henning, is investigating a series of killings, the strange beginning of a serial killer. As Andie investigates the murders, she believes Beth may be a victim of the vicious killer.

Gus begins his own investigation, and as he uncovers certain "truth's" about his wife, he realizes he did not know her at all.

"Under Cover Of Darkness" will keep you turning the pages and guessing all the way to the end. The twists and turns come fast and furious, pulling the novel to it's shocking climax.

James Grippando has consistently written great book after great book. He has quickly become one of my favorite authors. With his new book he keeps the pace fast while juggling various characters, and shifting the

plot twists into high gear. This is great entertainment.

A MUST read!

Nick Gonnella

Could have been better

By Pangloss

This book had a great, suspenseful story concept but seemed to end too abruptly without explaining the motive of the killer. I would have liked to have seen more development of the story in that area. Otherwise I thoroughly enjoyed the novel. I have read one previous book by this author, "The Informant", which was a very good story.

3 of 3 people found the following review helpful.

What a book!

By Rochelle

I started this book on Monday evening...reading the first 200 pages in one sitting (and finished it the following night)! What a great book. The characters were wonderfully written, giving you depth and insight into their personalities. The book begins with the disappearance of Gus Wheatley's wife. She never showed up to pick up their daughter. Gus is a powerful attorney who has spent more time on his career rather than his family. As he waits for word on his wife, he begins to realize how much he has missed about his wife and daughter. He begins to see the small changes that have taken place in his wife's behavior over the past several months. Has his wife left him? Has she been kidnapped? Or worse murdered? The FBI takes an interest in the case and Andie is assigned to the case. She is a young, ambitious agent who begins to unravel the case. Her character is strong and she begins to take chances in order to solve the case.

This book provides twists and turns, reads quickly and has a great ending!! I highly recommend the book!
